A Little More Work on Hospitality: Volunteers Needed

We do a fine job at the end of our ten o'clock worship service at coffee hour! And thanks to all those bakers and servers who pitch in.

Now, we need to improve our game at the front end of things. To increase our hospitality, we are recruiting welcomers to serve, first, in the East Commons from 8:45–9:10 am to guide people to the Adult Forum and to Church School and to the Nursery. I wonder if some folks from the 8:00 am service might be part of this team of volunteers.

Second, we need volunteers, stationed in the East Commons *and* in the Narthex, at the back of the sanctuary, from 9:45–10:05 am to welcome those coming to the ten o'clock service.

These welcomers are not ushers (though we could use more ushers, too), but folks who would say Hello to members, and especially to visitors, at our front doors. Please contact a clergy member or leave your name at the Front Desk if you are interested.

Beginning in February

This month sees the launch of...

(1) "Be Renewed...for the Sake of the Gospel" on Feb. 1st. Informational materials will be provided before then.

(2) Our Lenten Program: "Jesus' Farewell Discourses." The longest uninterrupted teachings of Jesus in the Gospels comes in John 13-17. We will be exploring them in Lent.

As always, Ash Wednesday, Feb. 18th, is a day valuable in its own right, but it also prepares us for Lent by opening our hearts to God through self-examination, and by assuring of God's boundless mercies.

Gratefully,
Mark⁺

Stephen Ministry

Winter Doldrums

"I will lead the blind by ways they have not known, along unfamiliar paths I will guide them; I will turn the darkness into light before them and make the rough places smooth."

– Isaiah 42:16

This winter (as almost all Ohio winters) we seem to be having a lot of dreary, dark days. Those days are so depressing, that sometimes that darkness seeps into our souls and magnifies everything that isn't quite right into a massive situation and overwhelms us. But then the sun comes out and we perk up and see that these challenges are not insurmountable. So too, our spiritual health suffers and burdens become heavy and we need to find a way to let Jesus' light back into our lives. Our Stephen Ministers are here to help you find the light on your path through these rough spots. Winter is a perfect time to include a Stephen Minister to lighten the burdens in your life.

To inquire about Stephen Ministry and how they can help you, call one of our Stephen Leaders:

**STEPHEN
MINISTRY**

Be Renewed...for the Sake of the Gospel Series

Begins on **Sunday, Feb. 1st at 6pm** and every first Sunday evening thereafter (except for Easter Sunday) with teaching on evangelism and small group discussion (with light refreshments) for five sessions. We will be gently challenging members to take this opportunity to be filled anew with God's life to the end that we each may more readily share the gospel in word and deed. Let us know if you're coming by calling or signing up at the Front Desk.
